

# Twin and Triplet Talk May/June 2008

Our website [www.momsoftots.com](http://www.momsoftots.com) is currently under construction. We will let you know when it will be up and running.

## Volunteers Needed!

The continuation of the club is still in jeopardy. As you are aware, Elsa is hanging up the torch at the end of June therefore we are still looking for a few volunteers to help with club events. Please email [debbybondi@hotmail.com](mailto:debbybondi@hotmail.com) if you are able to help in any way. This could be volunteering to help organize a party or even helping with the newsletter!

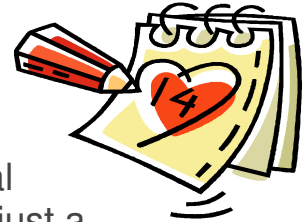

I would also like to take this opportunity to thank Elsa, our club leader, for all the wonderful activities she has planned this year. Your hard work and dedication to the club is much appreciated. You have done an amazing job with the club. Thank you for sharing your enthusiasm and passion, Elsa!

A big thanks to Sally Lee who has volunteered to fill the position of treasurer. She will be replacing Melissa Gorman who has done a wonderful job the past few years. Thank you Melissa for your dedication to the club.

## UPCOMING EVENTS

### May 3: Children's Swap Meet

Mark your calendars for May 3rd in Burnaby for the biggest twin mom sale of ALL...This sale you DO NOT want to miss out. The location is Burnaby Central High School just off of Canada way in North Burnaby (just a short minute from New Westminster). The school volleyball team also does a huge plant sale right in time for Mother's Day and you can spend all your earnings from your sales on beautiful flowers and potted plants. Please contact Sadie if you wish more info or wish to book a table at [sadie\\_digeso@hotmail.com](mailto:sadie_digeso@hotmail.com).

### May 21: Mechanics for Mom's

Next will be our May meeting (3rd Thursday of May), where we are hosting our first annual "Mechanics 101 for Mom's"...! More info TBA on time and location directions. Mark your calendars now.

Just think, perhaps a sip of wine or other fine beverage and lose your inhibitions over asking mechanical questions under your Van hood. Learn a positive, yet assertive way to say "NO" to that aggressive gas attendant who wants to check under your hood and of course more. Does that sound like fun or what...! Please email Elsa Edwards at [yale1@telus.net](mailto:yale1@telus.net) by May 5<sup>th</sup> if you plan to attend. If there is no interest, the workshop will be cancelled.

### June: Year End Dinner

We are just in the final stages of finalizing details for our year end dinner. Location and time to be announced shortly. We hope you will be able to join us in celebrating another successful year.

## Welcome to...

Jackie and Gord Catherwood of Maple Ridge and their 3 month old fraternal boy/girl twins.
